

INVITATION TO THE INDUSTRY

**XXIV International Conference on
Horizons in Hydrogen Bond Research**

12-15 SEPTEMBER 2022

Bilbao, Spain

INVITATION

Dear Sponsor/Exhibitor,

You are cordially invited to be a Sponsor at the

XXIV International Conference “Horizons in Hydrogen Bond Research”,

that will be held in Bilbao, from 12nd to 15th September 2022.

Hydrogen bonded systems are very important in many disciplines like biology, chemistry, astrophysics and materials sciences. The meeting gathers scientists working in the field of hydrogen bonding research and other weak interactions, who study virtually all states of matter by a multitude of experimental and theoretical methods.

This year, we expect about 100-120 participants from academic, industrial and government research institutions to attend the conference. There will be an outstanding scientific program including plenary lectures by invited speakers, and a wide range of oral and poster presentations.

To increase your company's visibility at this conference, we invite you to take advantage of one of the many sponsorship opportunities outlined below. These high-profile events and items will showcase your company prominently not only throughout the duration of the Conference but also throughout the following years.

We have prepared an inspiring event that will provide plenty of opportunities for interaction and networking!

Please see the congress [website](#) for more information.

We look forward to seeing all of you in Bilbao!

On behalf of the Organising Committee

PAST EDITIONS

HBond2022 is the twenty fourth in the series of conferences on hydrogen bonding which was started by **Prof. Lucjan Sobczyk in Poland in 1977**.

This is the list of all previous editions:

| | |
|---|---|
| 1977 L. Sobczyk, Karpacz, Poland | 1999 L. Sobczyk, Świeradów Zdrój, Poland |
| 1978 G. Zundel, Munich, Germany | 2001 P. Ugliengo, Turin, Italy |
| 1979 D. Hadzi, Ankaran, Yugoslavia | 2003 H. H. Limbach, Berlin, Germany |
| 1980 I. Olovsson, Sångy-Såby, Sweden | 2005 P. E. Hansen, Roskilde, Denmark |
| 1981 A. Potier, Montpellier, France | 2007 K. G. Tokhadze, St. Petersburg, Russia |
| 1982 P. Huyskens, Leuven, Belgium | 2009 M. C. Bellissent-Funel, Paris, France |
| 1985 W. A. P. Luck, Marburg, Germany | 2011 M. Suhm, Göttingen, Germany |
| 1987 L. Sobczyk, Polanica Zdrój, Poland | 2013 W. Herrebout, Antwerpen, Belgium |
| 1989 J. Kroon, Zeist, The Netherlands | 2015 Z. Latajka, Wrocław, Poland |
| 1993 Y. Maréchal, Autrans, France | 2017 J. Lundell, Jyvaskyla, Finland |
| 1995 L. Kimtys, Birstona, Lithuania | 2019 C. Fonseca, Amsterdam |
| 1997 P. Schuster, Niederöblarn, Austria | |

VENUE

The “**Bizkaia Aretoa**” or *Biscay Hall* is a new building designed by the Pritzker-prize winner architect Alvaro Siza. The Biscay Hall is located in the Bilbao city center, in the vicinity of the Guggenheim Museum and close to other major city sights. The building has an original L-shape opened to the Bilbao estuary, right in the center of the renovated Abandoibarra Avenue and between two well-known city bridges (Padre Arrupe and Deusto), providing easy access and communication with the city.

The building surface covers over 9,000 square meters, spread over six floors, including the large Mitxelena Auditorium, with capacity for 441 persons. Other lecture halls and exhibition rooms will be available for the Conference.

The Bizkaia Aretoa hosts all kind of social, cultural, academic and scientific events, either organized by the University of the Basque Country (UPV/EHU) or external institutions. As a result, the Bizkaia Aretoa has become a reference place for hosting events in Bilbao.

Bizkaia Aretoa building

WHY YOU SHOULD BE PART OF THE HBOND2022?_____

Sponsorship provides an excellent opportunity to:

- Launch new products and highlight existing ones
- Spotlight key executives
- Elevate your company profile
- Network with specialists, seek international partners and create new alliances
- Increase visibility in focused markets
- Give maximum exposure for your company and increase brand awareness
- Communicate your message to a highly qualified scientific community
- Build relationships for the future
- Attract new talent and strengthen partnerships
- Generate sales leads and educate the market

APPLICATION_____

Sponsorship packages can be booked by completing and returning the enclosed Sponsorship Package Application form to Ercisa, the Congress Technical Secretariat. Applications will be considered on a **first-come, first-served** basis.

In signing the application form, companies declare their acceptance of the conference regulations.

PAYMENT CONDITIONS_____

Upon reservation an invoice representing the total amount including VAT will be sent by ERCISA. Payment is due within **30 days** following the date of the invoice.
